Author and subject index

Absence of primary and permanent lateral incisors see McLaughlin, 99
Adonogianaki, E., *see* Reid, J. S.

Bilateral supplemental maxillary central incisors see Rock, 155
Bottled waters, fluoride content see *Weinberger, 143*
Brown, R. H., see Ferguson, J. W.
Burns, S. J. Inversion, rotation and ectopic eruption of a mandibular second premolar, 39

Cheong, L. Y., *see* Ferguson, J. W.
Children's caries and parents' education see Holan, 83
Chosack, A., *see* Holan, G.
Craft, A. W., *see* Nunn, J. H.

Daley, T., *see* Symons, A. L.
Dental abnormalities associated with a chromosome 2 deletion see Symons, 93
Dental anomalies and chemotherapy see Nunn, 131
Dental health of special-school attenders see Evans, 17
Dilaceration of a primary tooth see Kilpatrick, 151

Eidelman, E., *see* Kaufman, E.
Emergency dental service see Fleming, 25
Evans, D. J., Greening, S. and French, A. D. A study of the dental health of children and young adults attending special schools in South Glamorgan, 17

Ferguson, J. W., Brown, R. H. and Cheong, L. Y. Pycnodysostosis associated with delayed and ectopic eruption of permanent teeth, 35
Fleming, P., Gregg, T. A. and Saunders, I. D. F. Analysis of an emergency dental service provided at a children's hospital, 25
Formocresol toxicity see Ketley, 67
French, A. D., *see* Evans, D. J.

Gage, J. P., *see* Symons, A. L.
Goodman, J. R., *see* Ketley, C. E.
Goodman-Topper, E., *see* Kaufman, E.
Gordon, P. H., *see* Nunn, J. H.
Gravely, J. F., *see* Taylor, N. G.
Greening, S., *see* Evans, D. J.
Gregg, T. A. and Kinirons, M. J. The effect of the position and orientation of unerupted premaxillary supernumerary teeth on eruption and displacement of permanent incisors, 3
Gregg, T. A., *see* Fleming, P.
